Event: Patronal Celebration

The Commemoration of St. Bede falls on May 25. It is often commemorated here with a Patronal Celebration evensong using the propers for St. Bede (HWHM 386-387). If the day falls on a Sunday of Eastertide or "Ordinary Time", the propers might be used on that Sunday. It cannot displace either the Day of Pentecost or Trinity Sunday. However, the commemoration might be included with those days additionally using the Collect and possibly one of the texts that Bede authored which is in the hymnal (H82 217-218 and 271-272).

Event: Institution of Lay Ministries

These are often used in January or February after the Annual Meeting to institute the newly elected vestry members, officers of the Vestry and delegates/alternates to Diocesan Convention chosen at the same time. Additionally, the officers of other parish organizations may be included at this time. The V Commissioning of Lay Ministries is in BOS 179-195. The rite is found in the computer at:
C:\Documents and Settings\Outer Office\My Documents\Worship Materials\BCP Services\New Ministry - Clergy or Laity
and may be updated/saved and added to the appropriate bulletin (both 8 & 10 a.m.) immediately before the Peace.

Event: Bishop's Visitation

The office of the Bishop visiting will send out both information and also will ask for information prior to the Bishop's Visit. If there are to be Baptisms (w/or without Confirmations, Receptions, Reaffirmations), the color of the day is to be white. If there are to be Confirmations/ Receptions/ Reaffirmations, the color of the day is Red. If there are neither Baptisms nor Confirmations, Receptions or Reaffirmations, the color of the day follows the Church calendar. The two items that are added for a visitation are: The Episcopal Blessing (BCP 523 starting with "Our help...") and the welcoming of the Bishop which is placed at the beginning of the service and precedes the Opening Hymn. It is found in the computer at:
C:\Documents and Settings\Outer Office\My Documents\Worship Materials\BCP Services\Episcopal Services

Event: Blessing of Items

This rite is used when some new vestment, etc. is being blessed and is found at BOS 196-213. It is adapted for the item(s) being blessed and is placed in the service immediately after the offertory and prior to the Sursum Corda. An example of this rite is found in the computer at:
C:\Documents and Settings\Outer Office\My Documents\Worship Materials\BCP Services\Blessings of Items

Event: Birthday Prayers

The Prayer for birthdays & anniversaries (BCP 830 #51) is added immediately following the Postcommunion Prayer usually on the second Sunday of the month at the 8 & 10 a.m. services.

Rev. 04/15/2012

ITEM: Prayers of the People

The Prayers of the people are taken from < http://oplater.net/prayer.htm > with the appropriate Sunday chosen in Years A, B or C. In Lent, if there are not catechumens being prepared for baptism, those prayers are omitted. Sometimes questionable wording (re: "conversion of the Jews", etc.) should be checked with the clergy. These prayers, appropriately formatted are added to the weekly bulletins. A copy of the prayers which includes the specific people mentioned in the bulletin insert is composed for the intercessors each week and provided to the Verger for the services.
