## SPIRIT SUNDAY—TODAY

### "EARTH ANGELS:

**Toward a Spiritual Stewardship of the Planet"**

**Author & Spiritual Environmentalist, Andrew Beath**

"Jesus was an activist. We know this from the bible passage in which he entered the temple and overturned the money changers' tables. Like many biblical stories, this one can be read as a metaphor: the money changers are today's corporations; the temple is the Earth itself. The money changers are defiling our Earth temple and we should be really upset about that—as Jesus was in his time." ---Andrew Beath

The "Spirit Sunday Series of Special Services" meets monthly for non-denominational services that are both eclectic – exploring the similarities in various doctrines and methods, & didactic – intended to convey instruction as well as pleasure and spiritual entertainment.

You are cordially invited to join us in celebration, as we continue the 2014 series with: Andrew Beath, founder of the Earthways Foundation in Malibu, California,

as well as several non-profit social justice and environmental organizations; including projects to protect wilderness and assist threatened communities in the Americas. He is the author of "Consciousness in Action: The Power of Beauty, Love, and Courage in a Violent Time".
