

Lunch at the UCLA Faculty Club and Tour of Campus Highlights

Enjoy a delightful buffet lunch at the UCLA Faculty Club, where culinary excellence meets stunning mid-century modern architecture and art. Surrounded by lush greenery, the club's sleek design creates a serene atmosphere perfect for relaxation. Savor your gourmet meal while taking in beautiful views of the campus. After lunch, we'll tour the newly renovated Faculty Club, which pays homage to the design and art of the 1960s. We'll then take a leisurely stroll to see campus highlights such as the Sculpture Garden and iconic Royce Hall before returning to the Faculty Club for refreshments in the coffee lounge.
